

Puppy checklist

Head to Petbarn to prepare for the arrival of your little one.

Getting prepped

- ❑ Collar, lead and ID tag
- ❑ Brushes, combs and nail clippers
- ❑ Shampoo and conditioner
- ❑ Flea, tick and worming treatments
- ❑ Toothbrush and toothpaste
Establish a good dental routine to prevent disease in the future.

Coming home

- ❑ A comfortable bed
- ❑ Car harness or booster seat for car travel
- ❑ Kennel, crate and cover
- ❑ Plush toys for comfort
- ❑ Adaptil diffuser, spray or collar
Comforts and reassures puppies to help them feel calm and relaxed.
- ❑ Lots of cuddles

Toilet training

- ❑ Odour/stain neutraliser
For cleaning up those little accidents.
- ❑ Puppy pads
For tidier toilet training.
- ❑ Waste control bags and bag holder

Feeding

- ❑ Food and water bowls
- ❑ Super premium puppy food
- ❑ Treats
Treats should only make up 10% of their daily calories.

Playing and exercising

- ❑ Harness and lead
- ❑ Play and occupier toys
Provide a range of options like fetch toys, stuffed toys and puzzle toys to prevent boredom.
- ❑ Chew toys
To help with teething.

Greencross Vets

- ❑ Health check
For vaccinations and professional health care advice, and to check that your puppy's microchip details are correct.
- ❑ Emergency vet
It's important to know where your closest emergency vet is.
Find your closest emergency vet at: www.emergencyvet.com.au
- ❑ Healthy Pets Plus
With membership, gain access to unlimited vet consults, unlimited access to WebVet, unlimited emergency consults at partner hospitals, free vaccinations and more.
